President's Report

LET ME BEGIN BY WISHING ALL OF YOU - A VERY HAPPY THANKSGIVING! *I hope all of you got to spend lots of precious time with your families.*

Now that this season is upon us - I ask all of you to be very careful with your health. It is FLU season, and apparently Covid is still around and could rear its 'ugly head' once again, at this time of year too!

I know we all have our own 'beliefs' - but I encourage you to have your flu shot, and there is also another strain of the Covid vaccination out as well, which doctors are recommending that you take in conjunction with your Flu shot. I know my husband and I will be having both shots - *but, of course, that is entirely your choice!*

However, I do encourage all of you - if you do have a cold or cough, or what resembles a flu - please stay home so that the rest of your friends, and fellow members do not 'fall prey' to any of these "annoying" bugs!

Further on in this newsletter, you will find an Activity Cal-

endar for the balance of the year - along with details of each activity, and when those tickets will be on sale for all of you. These flyers and all the details are also posted at the Front Desk, and the big Bulletin Board closest to the Snack Bar.

Please try to participate in all the upcoming events that we are planning for you in the next few months.

ALSO - if you have not noticed already - FOR NEW MEMBERS ONLY - half price memberships are now being offered. Details are at the Front Desk and the bulletin boards. HOWEVER, please know that new memberships, at FULL price(s) will be available early in December - for the calendar year of 2024, for all current members.

Stay safe, stay strong and stay well!

Wanda Menge - KSC President

Director's Reports

Good day everyone, October is here, and fall is in the air.

There is a Euchre tournament on October 20 and tickets

Happy Thanksgiving Monday, October 9

are available from Nancy. The cost is \$7 and you have to have a partner who you will stay with for the 8 games. We will have a break after the 4th game. The partners will add their scores together and the top 3 teams will be in the money, also the person with the most lone hands.

The Snack Bar is doing well, but we still need volunteers for a few hours a week. If you can give us a bit of time, please see me or speak to one of our Board members.

Thank you and hope to see you soon at the club.

Nancy Van Tassel, Director

It's hard to believe that it is October already and now we are getting ready for fall weather. The summer attendance at Bingo was great. We have started new games as of September 6 and was well received. We are sorry that Peter may not be back as a caller, he will be missed.

Brian Kent, Director

The desk is working fine, but shuffleboard is on a lull as some of the regulars are away. We are looking for members for table tennis.

We are looking at a Fallsview Dinner/Lights trip for Dec 14/23, it will be advertised. soon.
Marguerite Friday, Director

Thank you to all the kind folks who are bringing in can tabs to assist All Paws Rescue in their work. I wonder how long it will take us to fill up the huge collection jar at the front desk.

Check out the ceramics for sale on display in the front hall across from the auditorium. These were created by the talented people in the ceramics group who meet on Friday mornings. If a piece you like has been sold or you wish to have a piece customized to your own taste using specific colours contact Sandra Holo-
vy and she may be able to have something special made for you.

When you come through the front doors, be sure to have a look at the beautiful baby clothes and accessories created by the stitch and chatter club. You just might see the perfect gift for the new baby in your family.

KSC Oktoberfest BBQ Very Successful

A BIG THANK YOU TO ALL KSC VOLUNTEERS - AND ALL OF YOU WHO ATTENDED THE BBQ ON SEPTEMBER 27TH.

Our Oktoberfest BBQ was a great success with hardly any leftovers - LOL! That is just fine! We had people going up for seconds - **don't blame them the 'sausages'** were very tasty - as were the burgers, and salads!

THANKS to Board members, who gave their all, as usual - AND ALL the other member vol-

unteers who were helping on the front lines and behind the scenes at the BBQ cooking, and at the snack bar topping up the salads, replenishing all the lunch items. THANK YOU, THANK YOU - CANNOT SAY IT ENOUGH - FOR ALL YOUR HELP!

A man buys a parrot and brings him home. But the parrot starts insulting him and gets really nasty, so the man picks up the parrot and tosses him into the freezer to teach him a lesson. He hears the bird squawking for a few minutes, but all of a sudden the parrot is quiet. The man opens the freezer door, the parrot walks out, looks up at him and says, "I apologize for offending you, and I humbly ask your forgiveness."

The man says, "Well, thank you. I forgive you."

The parrot then says, "If you don't mind my asking, what did the chicken do?"

ALL THESE EVENTS & DETAILS ARE POSTED - AT THE FRONT DESK - AND THE BULLETIN BOARD CLOSEST TO THE SNACK BAR, FOR YOUR INFORMATION!

Animal Migration in Canada Word Search!

In Canada and around the world, animal migration is a key part of the conservation picture. Mammals, fish, birds, some reptiles, and amphibians migrate. Some range short distances, others migrate for tens of thousands of kilometres, in search of food and places to breed and raise their young.

The Canadian Goose is not the only migrating animal. Below are 23 species that migrate to and from in Canada. Find them all!
