Director's Reports

Hello everyone,

We're into October and all our programs are in full swing. Stitch and Chatter as well as Ce-

ramics can always use more participants. Euchre on Friday afternoon is doing very well.

Our snack bar needs to get busier so we can extend our menu and hours of operation.

Hope to see you at the club.
Stay well,
Nancy Van Tassel, Director

Bingo is going along great! The members seem to like the new games and starting in October we are training a new caller Wes Coupland. I hope everyone will be patient until he masters the games. Hope everyone had a great summer see you at Bingo.

Brian Kent, Director

The Casino trip was sold out and our choir is suspended for the time being.

Kurling and Shuffleboard need a few more members, unfortunately only the faithful ones are still coming.

Marguerite Friday, Director

Everything is going well with bid euchre and the library is being kept very neat and tidy.

The October Crisis

The October Crisis refers to a chain of events that took place in Quebec in the fall of 1970. The crisis was the culmination of a long series of terrorist attacks perpetrated by the Front de libération du Québec

(FLQ), a militant Quebec independence movement, between 1963 and 1970. On 5 October 1970, the FLQ kidnapped British trade commissioner James Cross in Montreal. Within the next two weeks, FLQ members also kidnapped and killed Quebec Minister of Immigration and Minister of Labour Pierre Laporte. Quebec premier Robert Bourassa and Montreal mayor Jean Drapeau called for federal help to deal with the crisis. In response, Prime Minister Pierre Trudeau deployed the Armed Forces and invoked the War

Measures Act — the only time it has been applied during peacetime in Canadian history.

Prime Minister Pierre Trudeau mobbed by press after War Measures Act announcement.

Canadian Football Word Search. Hup, hup!

The Canadian Football League is a professional sports league in Canada. The CFL is the highest level of competition in Canadian football. The league consists of nine teams, each located in a city in Canada. They are divided into two divisions: four teams in the East Division and five teams in the West Division.

The leagues coveted championship trophy, the Grey Cup, was first contested in 1909, making it the oldest professional sought-after prize in North America. The trophy is named after Albert Grey, the Governor General of Canada from 1904 until 1911. He donated the trophy to the Canadian Rugby Union in 1909 to recognize the top amateur rugby

football team in Canada.

All teams, cities and Grey Cup are hidden, can you find them all!
