President's Report

HELLO members - welcome to JULY 2022!

PLEASE WATCH FOR these UPCOMING EVENTS:

Our 1st **BBQ** of the season: will be held on **Wednesday, July 13**. Ticket sales are going well - **BUT do not wait till the last minute to buy yours!** We usually **limit ourselves to one hundred people in the Auditorium** - seated that is! **AND** we do need you to **buy your tickets ahead of time** - since we do need to buy the groceries for the number of people we have sold tickets for. So, for \$10 a person - you get a choice of a Hamburger, OR a Hot Dog (\$2 extra if you wish a second burger, or hot dog) - a couple of fresh salads on the side, condiments, dessert, and a drink. Our price has gone up, like everything else - especially for the hot dogs and burgers, so hope all of you do understand the price increase. **PLEASE** specify to our Desk staff whether you prefer a burger or a hot dog!

Despite saying we were not going to organize trips quite yet - our Trip Coordinator, Marguerite Friday went "digging" and found we could get a decent offer from one of the bus companies - in this case CBS Tours.

SO, we are offering a trip to the **FALLSVIEW CASINO**, on **Friday, July 22, 2022**. Price is \$35 for members; and \$40 for Non-members - **BUT** everyone receives a \$35 slot pay. A Valid Government Photo ID & Players Card will be required. Here are a few requirements for our participants:

- **PLEASE BE ON TIME!** Meet everyone else at Knightsbridge Centre at 8:45 a.m. on July 22nd. The Bus leaves on time - with, or without you!
- **PLEASE DO NOT** let your fellow passengers down by delaying the **DEPARTURE TIMES** at either the **START, OR END** of each TRIP.
- **IF YOU ARE TRAVELING WITH SOMEONE**, kindly ensure that person arrives & boards the bus at the same time as you do. [You really should not ask someone else to move if they are already seated!]
- **REMEMBER** your **SEAT!** **AND** ensure that **YOU** retain the **SAME SEAT** on both your "departure & return trip"!
- **PLEASE REMEMBER - NO REFUNDS!** IF you bought a ticket and are absolutely unable to attend - **it is up to YOU to find a replacement**. **HOWEVER**, when a member has sold their ticket to someone else, the Front Desk

KSC's FALLSVIEW CASINO TRIP FRIDAY, JULY 22

MUST be informed of the change.

Christmas Lunch is booked for **November 25, 2022**. It will be held at the Lions Club Hall on Avondale Blvd., as usual. A DJ has already been booked for your enjoyment, and dancing pleasure. This year, we will be inviting you to bring your spouse, partner, or very good friend - **BUT** of course, their price will be slightly higher if they are not Club members for 2022. I will be working on the menu, and pricing by the end of the summer, with Spot One, our usual caterer. Stay tuned for updates!

- **OUR CHOIR** is taking a summer break from June 15th, re-starting on September 6th.
- **TAI CHI** will also be off from July 1st, restarting again on September 8th.
- **LINE DANCING** will take a summer break and start on Friday, September 9 & Monday, September 12

BUT SO FAR, ALL other activities will continue over the summer

months – please check with your individual activity convenor (s).

We are also, always open to ideas for NEW activities – we have had suggestions for additional Crafts – anyone interested in making paper flowers, with Susan Fell or some other “crafty” activities?

I would also like to know if any of you would be interested in a “Games” afternoon? Tables of four could be set up with games such as – Scrabble, Trivial Pursuit, Boggle, Sequence, Cribbage, and other possibilities. **If interested**, please sign up on the checklists provided on the notice board, or at the front desk. I would also appreciate any ideas or suggestions I would love to know your thoughts and ideas, please.

DO NOT FORGET - OUR SNACK BAR IS OPEN from 8:30 a.m.- 2 p.m. approximately. (Sandwiches can be pre-ordered after 9:00 a.m.). Our current menu, & list of drinks and snacks are posted, along with their prices. **PLEASE REMEMBER to order your sandwich at the Snack Bar slightly ahead of lunch time**, as our sandwiches are made to order. Volunteers just need a little notice to get them ready for you.

Hope everyone had a great Canada Day celebration and stayed safe!

us does not actually affect the weather (some of our hottest and most humid days occur after August 11), but for the ancient Egyptians, Sirius appeared just before the season of the Nile's flooding, so they used the star as a "watchdog" for that event. Since its rising also coincided with a time of extreme heat, the connection with hot, sultry weather was made for all time:

"Dog Days bright and clear, indicate a happy year. But when accompanied by rain, for better times our hopes are vain."

The phrase "Dog Days" conjures up the hottest, most sultry days of summer. The Old Farmer's Almanac lists the traditional timing of the Dog Days: the 40 days beginning July 3 and ending August 11, coinciding with the heliacal (at sunrise) rising of the Dog Star, Sirius. The rising of Siri-

Happy
Canada
Day!

Canada Day (French: Fête du Canada) is the National Day of Canada. A federal statutory holiday, it celebrates the anniversary of Canadian Confederation which occurred on **July 1, 1867**, with the passing of the British North America Act. In 1867 three separate colonies of the United Canadas, Nova Scotia, and New

Brunswick were united into a single Dominion within the British Empire called Canada. Originally called Dominion Day (French: Le Jour de la Confédération), the holiday was renamed in 1982 when the Canadian Constitution was patriated by the Canada Act 1982.

Amazing facts about Canada

Canada has the longest coastline in the world

At 243,000 km along the shores of 52,455 islands, Canada boasts of the longest coastline in the world. If you want to have an idea of how long this is, it is estimated that at a pace of about 20 km a day, it will take a person 33 years to finish strolling Canada's shorelines.

There are millions of lakes in Canada

Canada has more lakes than the rest of the world combined. At last count, there may be as many as two million, with 563 of them larger than 100 square kilometres. Among its largest lakes are Lake Huron in Ontario, Great Bear Lake in the Northwestern Territories and Lake Superior also in Ontario. There are large lakes in Manitoba as well. You will find Lake Winnipegosis, Lake Manitoba and Lake Winnipeg here. Lake Winnipeg is Canada's fifth and the world's 11th largest lake.

The world's oldest known rocks can be found here

The Canadian Shield forms a U-shape extending from Lake Superior in the south to the Arctic islands in the north and from the western part of Canada eastward to Greenland. It is where some of the oldest rocks on earth can be found. Among them, a 4.28-billion-year-old rock that was discovered by geologists in 2001. It was found in an area of exposed bedrock on the eastern shore of the Hudson Bay in northern Quebec.
