President's Report

Happy Labour Day everyone! Fall is rushing in upon us already - [hint, hint - my birthday is always the 1st day of Fall]. I believe we have had a great summer - good weather - and for me, a chance to visit my three precious great-grandbabies in Halifax - and things have been running quite smoothly at the Club.

Our trips to Fallsview and the Grand River Cruise were well attended, and enjoyed, by members and non-members alike.

Now to get ready for the Fall activities - and events:

After the summer hiatus, the KSC Board will meet on Wednesday, September 13 - and these meetings will then revert to the 1st Wednesday of each month from October onwards.

LINE DANCING - will restart on MONDAY afternoons on September 11, at 2 p.m. in the auditorium. I hope all of you enjoyed

Vice-President's Report

I hope everyone had a wonderful summer. Now that fall is upon us, it is a good time to try out some of our activities at the club. Check out the activities calendar on the back page and if you have any questions a volunteer at the front desk will be glad to assist you.

For those going on the Fallsview Casino trip on September 12, have a wonderful day.

See you soon.

Angie Smith,
KSC Vice-President

Director's Reports

Our beloved custodian, John Fleming, who does his best to look after all of us at Knightsbridge, has been collecting can tabs to support an organization near and dear to his heart, called **All Paws Rescue**. They rescue sick, feral, abused, abandoned, or neglected cats and kittens in Brampton. Money raised through the sale of **can tabs** will help to pay medical expenses for these unfortunate animals so they can be rehomed with kind, loving people. If you wish to assist John with this endeavor, bring your can tabs to Knightsbridge. There is a huge collection jar at the front desk. John and his feline friends thank you very much!

Who knew **Ceramics Club** would be so much fun? At the end of July, I decided to give ceramics a try because I saw a watering can mold that was calling my name. Sealer, paint, and brushes were all available for me to use. I had to do 3 coats of paint and then my watering can was

fired in the kiln. I was very excited to see my finished project. Sandra, who runs the group, and all the other ladies were so welcoming and helpful. Everyone was working on different projects of their own choosing. It was very interesting! If you've never done ceramics but think you might like it, drop by on a Friday morning, and see what we're up to. You just might get hooked like I did.

Just a reminder that **tai chi** moves will be taught from the beginning in September so this will be a great time for novices to join the group. New members are very welcome!

Sue Scheffer, Director

Hi everyone, September is upon us, and everyone is back to their normal routine. The Snack Bar is doing well but we still can use a few volunteers. Please speak to me or one of the other Directors if you are interested and available even if it's just a couple of hours a week. I hope to see you at the club. Stay safe and healthy.

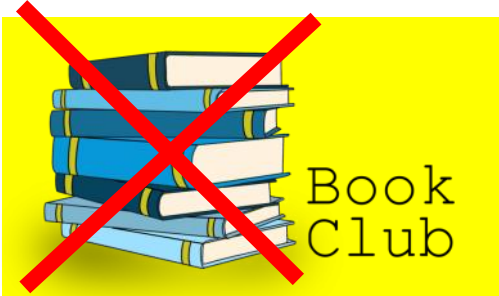

Nancy Van Tassel, Director

It's amazing how fast the summer has gone by, hope everyone had a good one. Bingo is going great, and we have a new caller, his name is Matthew Slade. I'm sure he will be a good fit for us. See you at Bingo!

Brian Kent, Director

All is running well with the desk, shuffleboard and kurling. Fall is around the corner, and we hope we will get a few more members.

Ontario Fall Fair **Word Search**

There are over 200 fall fairs held each year throughout Ontario, 119 fairs just in September. In Canada, the first agricultural society was formed in 1765 in Nova Scotia. Ontario followed suit in 1792 with the Agricultural Society of Upper Canada based at Niagara on the Lake. From the Ontario strongholds, the concept of agricultural fairs spread west with the

first settlers. Ontario Agricultural Societies are governed by the Agricultural and Horticultural Organizations Act. Their purpose is seen as being a community organization mandated with preserving and celebrating the rural way of life in Ontario.

Fall fairs make a terrific outing for a day or the entire weekend. And the local food is

darn good too.

We've hidden 22 towns that operate fairs in September. See if you can harvest them all.
